

Luxury Owner's Suite Extension 69 Additional Square Feet

Frida Kahlo was a Mexican painter whose primitive-like style reflected Mexican folk culture, her own pain and suffering, both physical and emotional. Frida's work continues to be a creative inspiration and she did it right.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
